

Dear Parents and Carers,

The **Big Walk and Wheel** is back from Monday 20th March to Friday 31st March and is a UK wide event in order to encourage children to get cycling, scooting or even walking to school! This event is organised by the walking and cycling charity Sustrans who are keen to help as many people as possible catch up on some much needed two-wheeled fun, exercise and activity.

Please bring your bikes or scooters to the courtyard where they will be stored safely until the end of the school day.

We will also be running our *Golden Padlock* competition where each day, a child's bike or scooter could be chosen by the padlock to win a prize!

For more information on The Big Walk and Wheel and how you can get involved please visit the website <https://bigwalkandwheel.org.uk>.

Please get involved if you can and we will hope for good, fine cycling weather!

With regards,

Mandy Joslin
Eco Coordinator
